

Instructions For CCC-850-A

Bioenergy Program Application

Bioenergy producers (producers) will complete a CCC-850-A quarterly as part of their CCC-850, Bioenergy Program Agreement (Agreement), provisions to request payments from the Commodity Credit Corporation (CCC) on eligible bioenergy production.

Submit the original of the completed form by deadline stated in the Agreement, by mail to Kansas City Commodity Office, P.O. Box 419205 Stop 8758, Kansas City, MO 64141-6205, or FAX to 816-823-1805.

Reporting units:

Producers shall use the reporting unit identified in the following table for each applicable eligible commodity in all program reporting.

Exception: When other than raw commodities are purchased, use purchase unit as the reporting unit.

Example: If whole wheat flour is purchased instead of wheat, use cwt. as the reporting unit.

IF the commodity is...	THEN, the reporting unit is...
<ul style="list-style-type: none">• Barley• Corn• Oats• Rice• Wheat• Soybeans	Bushels (Bu.)
<ul style="list-style-type: none">• Grain sorghum• Cotton seed• Canola• Crambe• Flaxseed• Mustard seed• Rapeseed• Safflower• Sesame seed• Sunflower seed• Cellulosic crops	Hundredweight (Cwt.)
<ul style="list-style-type: none">• Hydrous ethanol purchased for upgrading to anhydrous ethyl alcohol• Oils, such as soy oil, purchased for upgrading to biodiesel	Gallons (gal.)

Producers must complete Items 1 through 4. Producers seeking payments for ethanol production must complete Part A. Producers seeking payments for biodiesel production must complete Part B. All producers must complete Part C.

Items 1-4

Fld Name / Item No.	Instruction
1 Name of Firm	Enter producer's name.
2 Agreement Number	Enter producer's Agreement number from CCC-850, the producer approved Agreement for the Fiscal Year (FY).
3 A - B Purpose of Submission	Check one, as applicable: A. Request a program payment. B. Report bioenergy production FY to date with no payment due.
4 Quarter Being Reported	Check the quarter for which the bioenergy production is being reported.

Part A: Ethanol

Producers seeking payments for ethanol production must complete Part A. Producers must complete a table for each ethanol plant listed on the producer's CCC-850 Supplement for the FY. Producers assigned plant numbers to each plant on the producer's CCC-850 Supplement, Bioenergy Program Agreement submitted for the FY. Plant 1 was listed as ethanol plant 1 on the producer's CCC-850 Supplement, etc.

Items 1-5 For Quarter Being Reported:

Fld Name / Item No.	Instruction
1 Commodity used for Ethanol Production	Enter commodity used to make ethanol. Note: Enter the form of the commodity purchased. Examples: Whole wheat, whole wheat flour, wheat starch.
2 Reporting Unit	Check the box applicable to the commodity entered in Item 1 above according to instructions in reporting unit.

Fld Name / Item No.	Instruction
3 Units Used	Enter the total number of units of Item 1's commodity used for ethanol production in this plant for the quarter being reported.
4 Gallons Produced	Enter the total number of gallons of pre-denatured ethanol produced from Item 1's commodity in this plant for the quarter being reported.
5 Proof	Enter the average proof, rounded to 1 decimal place, of pre-denatured ethanol produced from Item 1's commodity at from this plant for the quarter being reported.

Repeat Item 1 through Item 5 above for each commodity used for ethanol production at this plant during the quarter being reported. If more than 3 commodities were used, attach tables reporting the additional information.

Items 6-8 For the Same Quarter Last Year:

Fld Name / Item No.	Instruction
6 Units Used	Enter the total number of units of Item 1's commodity used for ethanol production in this plant for the same quarter in the prior FY as being reported.
7 Gallons Produced	Enter the total number of gallons of pre-denatured ethanol produced from Item 1's commodity in this plant for the same quarter in the prior FY as being reported.
8 Proof	Enter the average proof, rounded to 1 decimal place, of pre-denatured ethanol produced from Item 1's commodity at from this plant for the same quarter in the prior FY as being reported.

Repeat Item 6 through Item 8 above for each commodity used for ethanol production at this plant during the same quarter in the prior FY as being reported. If more than 3 commodities were used, attach tables reporting the additional information.

Item 9A-9D

Fld Name / Item No.	Instruction
9A Total	Enter the total units of all commodities used in ethanol production in this plant for the quarter being reported.
9B Total	Enter the total gallons of pre-denatured ethanol production in this plant for the quarter being reported.
9C Total	Enter the total units of all commodities used in ethanol production in this plant for the same quarter in the prior FY as being reported.

Fld Name / Item No.	Instruction
9D Total	Enter the total gallons of pre-denatured ethanol production in this plant for the same quarter in the prior FY as being reported.

Part B: Biodiesel

Producers seeking payments for biodiesel production must complete Part B. Producers must complete a table for each biodiesel plant listed on the producer's CCC-850 for the FY. Producers assigned plant numbers to each plant on the producer's CCC-850, Bioenergy Program Agreement submitted for the FY. Plant 1 was listed as biodiesel plant 1 on the producer's CCC-850, etc.

Items 1-4 For Quarter Being Reported:

Fld Name / Item No.	Instruction
1 Commodity used for Biodiesel Production	Enter commodity used to make biodiesel. Note: Enter the form of the commodity purchased. Examples: Soybeans, soy oil, mustard seed oil, yellow grease, etc.
2 Reporting Unit	Check the box applicable to the commodity entered in Item 1 above according to instructions in reporting unit.
3 Units Used	Enter the total number of units of Item 1's commodity used for biodiesel production in this plant for the quarter being reported.
4 Gallons Produced	Enter the total number of gallons biodiesel produced from Item 1's commodity in this plant for the quarter being reported.

Repeat Item 1 through Item 4 above for each commodity used for biodiesel production at this plant during the quarter being reported. If more than 3 commodities were used, attach tables reporting the additional information.

Items 5 and 6 For the Same Quarter Last Year:

Fld Name / Item No.	Instruction
5 Units Used	Enter the total number of units of Item 1's commodity used for biodiesel production in this plant for the same quarter in the prior FY as being reported.

Fld Name / Item No.	Instruction
6 Gallons Produced	Enter the total number of gallons of biodiesel produced from Item 1's commodity in this plant for the same quarter in the prior FY as being reported.

Repeat Item 5 and Item 6 above for each commodity used for biodiesel production at this plant during the same quarter in the prior FY as being reported. If more than 3 commodities were used, attach tables reporting the additional information.

Item 7A-7D

Fld Name / Item No.	Instruction
7A Total	Enter the total units of all commodities used in biodiesel production in this plant for the quarter being reported.
7B Total	Enter the total gallons of biodiesel production in this plant for the quarter being reported.
7C Total	Enter the total units of all commodities used in biodiesel production in this plant for the same quarter in the prior FY as being reported.
7D Total	Enter the total gallons of biodiesel production in this plant for the same quarter in the prior FY as being reported.

Part C: Certification

All producers must complete Part C.

Item 1A-1C

Fld Name / Item No.	Instruction
1A Bioenergy Producer	Enter producer's name.
1B Signature and Date	Enter the signature of an authorized individual, i.e., corporate officer, partner, or proprietor authorized to sign for the producer and date signed.
1C Title	Enter the title of the authorized individual that signed for the producer.
